Trees are the answer!

Contact Select Trees if you can be passionate about joining a Team with the mission of growing and providing long-lived sustainable trees that will improve quality of life for millions of people.

Select Trees Group is considered by many to be the leader in the production of high-quality sustainable landscape shade trees in the Southern U.S. Since our founding in 1985, it has been the goal of Select Trees to grow trees that landscape professionals consider the best available.

At our farm located near Athens, Georgia, we have developed a system for propagating, growing, and harvesting that addresses the quality of the entire tree and its long-term benefit in providing enhanced quality of life for countless people.

People are not only very important to us; they are, and will always be our greatest asset. Characteristics that we are looking for include, but are not limited to:

1. Looking for a challenge; in a career they can be passionate about.
2. Desire to grow, learn, and develop their skills and potential to be a part of our Team.
3. Strong work ethic.

We have many opportunities for high-quality partners in all areas of our rapidly growing company. We are constantly hiring both **part-time** and **full-time** partners, as well as **internships**. Some of the areas of focus we seek include:

- Assistant Farm Management
- Production Management
- Customer Service/Sales
- Office Management/Business Management
- Human Resources
- Marketing
- Information Technology

Starting compensation packages ranges from $50,000-$65,000 depending on character and potential value. We are hiring for full-time, part-time, and internship positions.

We have an employee ownership plan in place, and the most recent two partners in this plan reached yearly compensation levels of $110,000 plus within the first four to six years of full-time work. Details of this compensation will be shared with qualified candidates.

Location: Crawford, GA
