*"To walk rows of Highbeam Overcup Oaks, all uniformly brimming with superior characteristics, is to appreciate this milestone in propagations - trueness-to-type from to to bottom...an oak for the ages." - Dr. Michael Dirr*

## Select *SustainablePlus* Highbeam® Overcup Oak

Lone Star Residence Hall  
Sam Houston State University - Huntsville, Texas

*"Select Trees Owner Purchase allows us to buy the Mercedes at Chevrolet pricing.  
It wouldn't make sense for us to purchase trees any other way."*

**- Developer, Southern U.S.**

## Select *SustainablePlus* Highbeam® Overcup Oak

2014 - 6.5" Trunk Diameter  
Planted in 2011 at 4" Trunk Diameter

Lone Star Residence Hall  
Sam Houston State University - Huntsville, Texas

*"Select Trees' patience, persistence, and propagations open the landscape portal to the world of cultivar oaks. Oaks on their own roots with genetically programmed uniform characteristics including growth habit, summer and fall leaf colors, clean leaf drop in autumn, ease of transplanting, and pest resistance guarantee success in commercial and residential landscapes." - Dr. Michael Dirr*

Lone Star Residence Hall  
Sam Houston State University - Huntsville, Texas

*"Simply put, the Select Trees owner purchase program provides the highest quality end result for the lowest price to the owner. This creates real value that is measurable."*

**- Landscape Architect, Southern U.S.**
